

# Intergenerational Enrichment and Educational Caregiver Respite

## Are you caring for someone over the age of 50 in Allegany County?

Caregiving is often a **24/7 commitment**, and everyone needs a break sometimes. Our **FREE** program offers you, the caregiver, an opportunity to take part in activities or take time for yourself while your family member, friend, or neighbor engages in rewarding intergenerational programming.

While in this program, older adults will have access to:

- Genesee Valley campus facilities
- Community-based art & service projects
- Socialization with peers and school students
- Creative & recreational activities
- Mentorship opportunities
- A nutritious meal
