Adoption Focused Drop In Virtual Consultation

With Marcella Moslow,
LCSW, RPT

Trauma Therapist
Transracial and
Transnational Adoptee

Join for a 2 hour group
consultation via zoom
addressing the
intricacies of working
with clients impacted by
adoption

My goal is to pair my clinical expertise and lived experience so as to take a deeper look into the realities of the trauma associated with adoption, elevate awareness of the adoptee experience and empower clinicians with tools to become more comfortable and effective with promoting healing for this population
